GYM CUNNY!

I work in a leisure centre as a gym instructor so I keep my body fit, firm and trim.

I'm a fuck fanatic, too, so I always have one eye out for the fit blokes in the gym and in my classes. Last month, when I was taking a circuit-training class a tall bloke with blonde hair caught my eye.

He was very fit and had tight lycra shorts on. I kept looking at the big bulge in his crotch and wondering what he'd be like in bed.

He was eyeing me up all through the session, looking at my arse when I was doing squat thrusts and staring at my pert tits. I only had a sports bra on top and my nipples stood out.

After the session I suggested everyone have a long drink to rehydrate. I said there was a bar upstairs and winked at the blonde guy. He winked back and I knew I was in.

As I showered I thought

about fucking him. That got me really turned on and made my pussy moist. I couldn't resist rubbing myself up.

I slid a finger down my glistening body and slipped it between my wet lips.

I found my clit and teased it slowly, sending ripples of pleasure through my body.

Sure enough he was up in the bar. After a short chat I suggested I take him home and put him through his paces properly.

When we got to mine I took him straight upstairs and told him to get undressed while I got ready. I went into the bathroom, stripped butt naked and grabbed my dildo.

I went into the bedroom, sat him in a chair and got onto the bed. On all fours with my arse in the air, I rubbed the dildo from my arsehole to my big distended clit.

Gently I pushed it inside my pussy. He was slowly wanking his cock as I started to fuck myself with the dildo.

As I worked it in and out of my wet cunt with one hand, I brought the other down to stroke my clit.

His cock was rock hard and I wanted to feel it up me.

He knelt down behind me and licked around the dildo as it entered my cunt. Then he stood up, removed it and stuck his cock in instead.

I continued to rub my clit as he drove his cock inside my pussy, making me cream straight away.

He banged away at me like fucking was going out of fashion, grunting and telling me how sexy my arse was.

When he was about to cum I turned round and took his cock deep

in my throat, draining his balls of spunk.

Nothing keeps you fitter than having a sex workout like that!

Angie, Cumbria.

TASHA

If it's a bit of help with all the domestic chores you need, then I really can't recommend Tasha Holz highly enough! Not only does she have the perfect maid's outfit to make sure the dusting and polishing is done in the most eye-pleasing manner, she's also got the sort of body that just demands to be unleashed from the confines of that outfit once all the chores are done! To be honest I haven't seen a speck of dust on my gaff for months now, but I still feel the need to get her round every day to give everything another good going over.

BLACK TO BASICS!

Sometimes the simple things are the best, aren't they? There's all sorts of porn kinks, but you've got to go a long way to beat the sight of a fresh-faced teenie flamber taking a (considerable) length of BBC (no, the British Broadcasting Corporation!). Coverbabe Joseline Kelly's been to a Black Lives Matter demo or something (!) and to demonstrate her dedication to the cause she's soon perched in the sofa in the nip while her pal tongues her tight pink slot. Tight to begin with, in any case, cos his monster dick's soon buried up to the hilt as he screws the little tartlet rotten! Five cuties in total get a similar treatment, riding their studs like their lives depend on it! Available from you local sex shop.

THE POWER OF CURVE!

So where do you go after you've got your dose of hot interracial action? Well, big titters, of course, and Score's Voluptuous series is always guaranteed to provide plenty of those. Maggie Green's got a magnificent pair of funbags on her, and she's soon distracted from her deskjob and offering them up for a spectacular boob-job instead. A bit of a blowie only adds to the fun before her and her fella go through all the moves, ending up with him spuffing all over her very pretty face. Other highlights include nurse Destiny doing her best to perk up her patient, and melon-mammed Beverly, whose tits jiggle fantastically! Available from your local sex shop.

Dear Julia

One of the (many!) pleasures of reading Escort every month is the opportunity it gives me to follow a model's career over a number of years, and I wanted to write in in praise of one of the finest of the lot, who's been thrilling me and countless others for the best part of 20 years now – the incredible Lucy Zara! I can just about remember when she started out around the turn of the century, and every time I see her she just looks hotter and hotter. The way she brazenly shows off the folds of her juicy pink cunt and flaunts her perfect body are always a real-turn on, and I've lost count of the number of times I've showered her pictures with my hot cum since I first fell for her all those years ago. I hope she never gives up, because I'd love to see her develop over the next 17-odd years... and beyond!

Tony, via email.

DEAR JULIA

Dear Julia

I've been reading Escort on the sly for years now, but a few months ago my wife Helen discovered my stash when she was doing a big clear out. I thought I'd be in real trouble, but after a bit of pretend outrage she admitted that she'd been really turned-on flicking through my collection. We ended up fucking like rabbits – something we hadn't done for years, and now we love to flick through each issue together, pointing out who we think is the sexiest girl in the mag. We don't often pick the same model, but we did this issue, because Nicola looked so stunning in her classy lingerie, playing with that whip and fingering her glorious bald cunt. That picture of her sucking the purple dildo while looking straight at the camera and holding her pussy open had my cock hardening in no time, and Helen wasted no time in fishing it out and sucking it to full hardness before yanking her knickers to one side and lowering her oily slot down onto it. We fucked like we were teenagers again, and it's all thanks to Nicola and Escort magazine!

Alan, Nuneaton.

Stash 'n' passion!

Tatted and Splatted!

Does having a tattoo or eight make you hungrier for spunk? Perhaps someone ought to do some research, because it certainly looks that way here. Adreena Winters can't get enough of the stuff, and fellow inkers like Jade, Phoenix and Gina seem

pretty partial to the stuff as well. Absolute filth for bukkake lovers, these girls end up dripping in harry! Available from your local sex shop.

"I love playing with my pussy – I do it for at least an hour every day and it always gets me in a wonderfully relaxed state of mind. But when I'm feeling really dirty, I like to do it for an audience! Usually it's just one guy or one girl, and the rule is they're not allowed to touch me until I give them permission. It's such a turn-on knowing a guy's got an aching stiffy all because I'm rubbing my clit in front of him, and the fucking that follows is never a disappointment, because the longer a guy has to wait, the more spunk he seems to produce!"

REAL WIFE SEX

Anna's taken her window of opportunity!

I eased my pants off so he had a good view of my pussy.

My hubby works long hours and is, as a result, usually too tired to pay me the sort of attention I crave. Well, that's his choice, but it means I have to get my fun where I can, and the other day an opportunity arose which was just too good to pass up. I was at home doing some housework in just a skimpy pair of pants and a loose top when I happened to glance out of the window and saw my window cleaner working on the flat next door.

Feeling mischievous and not a little horny, I turned the radio up very loud and continued flitting around the living room with my feather duster. Very soon I saw the window cleaner approaching, he is a nothing special to look at, but has a great body and lovely personality. I peeked out of the window and saw him setting his ladder up and start to climb. I positioned myself with my back to him but so that I could see him in the mirror on my wall. As

he came up to the window he started to lather the glass but soon realised that I was in the room, the look of shock on his face was a picture and then he grinned broadly as he realised I was unaware of him... or so he thought.

I had made sure that my knickers were nicely up the crack of my bum and bent right over to dust the skirting, giving him a perfect view of my arse. I then stood up, still with my back to him and started to sway provocatively along with the music, every now and then lifting my top to play with my boobs. I could

Jim wasted no time and spread my legs wide, pushing his rock hard dick into my drenched cunt.

see in the mirror that he was loving it and turned slightly so that he could see me rubbing myself through my knickers. I was now extremely moist and slipped my fingers between my legs, standing there with my legs apart, gently circling my clitoris was making me giddy with pleasure. I closed my eyes and swayed with the music losing myself in my erotic thoughts. Very soon I could feel my orgasm building, but I didn't want to finish it there, I continued this for a couple of more minutes and then left the room.

I went into the bedroom and waited until I saw him coming up to that window. This time I could see that he was much more cautious as he got to the top and only his head appeared. Without looking at him I proceeded to lay on the bed and gently eased my pants off so that he had a good view of my soaking wet pussy. I started to resume my cunt massage, spreading my legs wide showing him all I had. I continued for a while, caressing my breasts with the other hand. Every now and then I glanced in his direction and could see a look of pure lust on his face. Thinking of him watching me, soon sent me into the most delicious orgasm, pumping my hips while I subsided I opened my eyes and realised that he had gone from my window.

A knock came on my front door, I tried desperately to compose myself, got off the bed and put on my dressing gown and hurried to open the door.

Jim stood there with a huge grin on his face and said, "Any chance of a cuppa then?"

Without answering I pulled him inside and shut the door, giving him a big juicy french kiss as I did so. I could feel his erection on my leg as he pushed himself against me. I took his hand and lead him into the bedroom, as he stood next to the bed I slowly pulled down his zipper and his big old boy sprang out and looked me in the eye. I smiled at him and sank to my knees, cupping his big hairy balls in one hand I closed my lips over his shiny red helmet. I licked my way up and down his shaft tasting slightly salty, which made me positively drip with excitement. I couldn't contain myself any longer and collapsed on the bed, pulling him on top of me as I fell.

Jim wasted no time and spread my legs wide pushing his rock hard dick into my drenched cunt. I let out a loud

moan as he pushed all the way into me, filling my hole with his throbbing cock. He began pumping into me with such ferocity my headboard banged loudly on the wall and my groans of pleasure matched the rhythm. Before he started I was in a heightened state but as he continued his long forceful thrusts I began to orgasm again and a wave of pleasure swept over me. I screamed at him to push harder as I came again and again, scraping his back with my nails as I squirted my fanny juice all over his belly.

Just when I thought I couldn't take any more he growled that he was about to come and as his hot spunk shot inside me, fireworks went off in my head as I came again and again. When he was spent, he rolled over and we lay there for several minutes, breathing heavily from the exertion.

As he got up to leave he left his bill on the dresser, on the back of the bill he had written, thanks for the show, made my day, have this one on me, No Charge. Cheeky fucker!!! ☺

Night of Flashin'

Most of the men in my fantasies have a bit of a difficult time. I make them come out with me while I flash round town (they get embarrassed!), or I make them lick my pussy for hours on end, or suck another man's spunk out of my pussy. But on the occasion I'm going to tell you about, I think the guys involved had the time of their lives.

I'm a married girl with a very indulgent husband who loves watching me get fucked by other men.

His favourite sight is to see me bent on all fours as a

queue of men line up to fill my cunt with spunk till there's no room any more.

As you can tell, I like flash-ing and I like being licked but I had never really been into gangbang-ing. It's not that I didn't like cock, I was just worried about the reaction my husband might have if I organised one for him.

After all some things should remain fantasies. Luckily, this one went well.

Without telling my husband

02. SANDRA

£150

what was in store I booked a hotel room in central London for a "dirty week-end".

Then I called an escort girl-friend of mine and asked if she would advertise on her website for men who wanted a free fuck.

Needless to say she was inundated and by the time the Friday night rolled round, I had men calling my mobile every

ten minutes.

My husband was working late and I told him to meet me at the hotel at 10pm. At eight the men started arriving – all shapes and sizes, colours and ages and began undressing.

I told them they could all fuck me for free but they had to wait until my husband could watch.

Some actually left after I told them this but nine remained.

Luckily my escort friend had come along with me and she kept them all occupied, going along a long line of cocks sucking and rubbing.

By the time my husband arrived I was bent over the bed, a queue of men with huge boners lining up to dog the life out of me.

I've never seen a bigger grin on my husband's face in my life as the first bloke parted my pussy lips with his fingers, spat on my cunt and rammed his juicy member up me.

We carried on until the ninth man had emptied his balls into me. I was in every conceivable position, cowgirl, missionary and some I don't even know the name of. Every hole of mine got shafted while my husband watched and wanked in amazement.

To finish it off I took my husband's cock in my spunky hand and wristed him off all over my face as the men all gave me a round of applause. I think I could get used to this!

Sandra, Oxford.

"I only moved into this place a couple of days ago – it's the first time I've had a place of my own and I'm really looking forward to christening it properly! In my last house I was sharing with a couple of friends and they cramped my style a bit – whenever I brought a fella back they'd give me disapproving looks, and if we made too much noise in the sack they'd be a bit arsy about it the next day, so now I've got my own place I don't have to worry about that at all. In fact I'm planning to bring a couple of guys home this weekend – I've never had two cocks at once and now I can do what I like it's the top of my wish list. I can't wait!"

We've all seen those annoying signs that say something like "I won't eat smelly food if you don't swear, put your feet on the seat or stab anyone" (do old people really much smelly food on buses?), but there's no sign saying "I won't get my juicy cunt out and play with it if you don't drop litter", so maybe the transport authorities think this sort of things OK...?

"I've certainly done a few naughty things on the bus!" admits Jen. "Probably the naughtiest was sucking off a bloke I'd met in a club. It was tricky trying not to be too obvious about it, but it only took a couple of minutes!"

Now it's been a little while since I was last in hospital (famous last words!) but I'm pretty sure that's not exactly what nurses' uniforms look like these days, Aston!

"No, it's a fair cop – I'm not really a nurse. I bought this outfit a couple of years ago when my boyfriend at the time had broken his leg and was stuck at home for a couple of weeks with a big pot on. I thought it might cheer him up a bit if I 'looked after' him like a proper nurse – well, the sort of nurse who ends up giving a sloppy blow-job at the end of a bed bath, anyway!"

Ah, Peach! We'd more or less given up on ever clocking your fantastic bod ever again – where have you been all this time?

"I don't do this sort of thing sop much now! I got a 'proper' job a couple of years ago and I've been concentrating on that, but just recently I've started to miss it. I love hearing from my fans, and the thrill of knowing that there are tons of horny guys out their stroking their hard cocks over pictures of me is always such a turn on! To be honest I don't think I'll ever retire for good!"

"My boyfriend's quite into photography, and I'm his favourite subject! A while ago I suggest that perhaps we could send some pictures into Escort for Readers Wives, but he reckoned he had all the kit required to shoot a proper set of pictures of me. I was a bit doubtful, but once he was all set up it was all very professional! Well, professional except that he kept putting his camera down, coming over, and licking my pussy! Then, when the shoot was finished....!"

Arse (Ain't) Half Full!

There have been a few occasions when I have suggested to my hubby Jim we try anal sex.

He always declined, saying it looked too painful. (I said it was me taking it!)

I love the feeling of him playing with and rimming my arse and always wondered what it would feel like to have his stiff cock pushing up my virgin arse.

So one evening when he came back from work I was there waiting for him, dressed in the outfit you can see in these pictures.

He was delighted and couldn't keep his hands off me but I told him he had to do exactly what I told him if

he wanted to fuck me.

I led him to the bedroom and told him to strip. Then I lay him on the bed and blindfolded him.

He was a bit surprised when I slipped handcuffs on me and fastened him to the bedhead with his tie.

As he lay there unable to move his arms I kissed my way down his body and took his cock in my mouth. His hips started to move up and down and forced his dick deep into me.

I got some lubricant from the bedside table and lubed my arse. He was trying to tell from the sound what I was up to. I worked two fingers up my bum to stretch myself ready for him.

Then I returned to sucking his cock as I had my first orgasm.

Making sure he was rock hard I squatted over him, rubbing his swollen cock along my cunt lips.

Then I lowered my arsehole onto his cock.

The feeling of him stretching me apart was amazing and it started the feeling in the pit of my stomach that told

me my second orgasm wasn't far off.

Even with his blindfold on, I could see the look of ecstasy on Jim's face and I pushed down even further until he was as far as he could go in my arsehole.

I concentrated on tightening my muscles, squeezing him as hard as I could, milking his cock.

He was enjoying losing his anal cherry in my hole.

When he finally came he made me cum too, his hot seed exploding far up into my twitching back passage.

I lay on top of him for several minutes before he finally went limp and slipped out of me.

Since then we have tried anal sex in many positions, but however we do it that feeling when I lower myself onto his engorged knob is my favourite!

Kelly, Windsor.
